## How To Specify

To specify G-60102 with 2-T10 40 Watt Incandescent Lamping, White Opal Acrylic Lens, Satin Nickel Finish with No Options:

**G-60102-B-W-R-4**

**Note:** When using perf, two finishes must be specified even if single finish is desired - IE All Satin Black - AA. First letter is for the primary finish, second is for perf.

Polo Sconces feature a common backplate which can be shipped and installed prior to production of the finished front.
